The Library and Information Resources Network, a 501(c)(3) nonprofit corporation formed in 1996, is a consortium of educational institutions that have joined together to share access to information resources. LIRN® members enjoy the benefits of group purchasing, a centrally managed [authentication gateway](#), on and off campus access for their students, as well as [hosted proxy services](#), a powerful [federated search solution](#), and our [new consortium librarian service](#). The LIRN® collection provides students with millions of peer-reviewed and full-text journal, magazine, and newspaper articles, e-books, podcasts, audio, and video resources to support their academic studies from ProQuest, Gale Cengage, EBSCO, eLibrary, Books24x7, and more, covering topics for General Education, Business, and Medical programs. Read more about LIRN® and our products and services and how we can help you meet your institution's accreditation requirements in our [downloadable information files](#).

The screenshot shows the LIRN website interface. At the top, there is a logo for LIRN and the text "Library and Information Resources Network" with the tagline "Providing educational institutions with millions of resources to support their students' academic studies." Below this is a navigation menu with buttons for Home, Databases, Titles, Products, Training, Members, About LIRN®, and Logout. The main heading reads "Welcome Express Training Services". A search bar is present with the text "Search against all searchable LIRN® products, or use Advanced Search to search by subject groups, or individual databases." and a search input field. Below the search bar are view options: Alphabetical View, Simple View, Subject View (highlighted), and Vendor View. A section titled "Jump to a specific subject area:" contains two columns of subject buttons. A large red arrow points to the "Health & Medical" button in the left column. Below this section is a sub-section for "Automotive / Aviation" with a search input field and a list of database buttons: Academic OneFile, eLibrary, General OneFile, InfoTrac Newsstand, Insurance and Liability Collection, and Military and Intelligence Database.

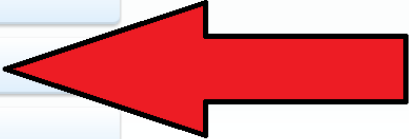

and then click the Nursing & Allied Health Source button (picture on next page).
